Highest standard or converted average will be used. **Scores will be disqualified for anyone reporting an average as standard should it be found to be otherwise.**

- 14) Use of **CURRENT SEASON AVERAGE** prior to either the end of the league season or the date that averages are submitted to your local association, requires that a verification form be completed and submitted to our office by the last day of the tournament, if not at time of bowling. Forms are available at Check-in. **Average reported at first event will be used throughout the tournament.**
- 15) Failure to use the proper average, or make a correction at the time of bowling, may disqualify any score. Prize winnings will be based on the average submitted if it is higher than the correct average. Any average corrections must be submitted to the tournament office, in writing, within 7 days from the date of bowling.

TOURNAMENT PLAY:

- 25) All bowlers must report to the tournament office one hour before their scheduled bowling time to check in. All team/doubles partners must check in together and have all necessary information with them at this time. **LANES WILL BE ASSIGNED BY THE TOURNAMENT OFFICE.**
- 26) The tournament office will try to even up all squads. Groups requesting lanes together will be assigned first with individuals and walk-ins being assigned next available lanes. Should your assigned lanes require you to bowl alone, you must do so. Upon refusal to do so, no entry fee will be returned.
- 27) All games of each event will be bowled on the same pair of lanes.
- 28) The order in which the bowlers are listed on the application will be the official bowling order. No changing of bowlers between Team / Doubles sets or rearranging of the bowling order will be allowed at time of registration.
- 29) Teams/Bowlers with no entry form submitted at least 30 minutes before squad time may be denied entry. A registered bowler or bowlers arriving late will be allowed to bowl, however, scoring will start with the frame in which they are ready to bowl. Causing a delay in play may result in receiving a zero for that frame.
- 30) Substitutions will be allowed. All substitutions must be reported to the tournament office at least one hour prior to bowling and **must assume the line up position of the bowler they are replacing.**
- 31) When a substitute enters an event already in progress, (not allowed in Singles) the handicap for that set or event will be based on the original bowler's average or the substitute's, whichever is higher. Substitutions will only be allowed in the event of injury. All optional events for original bowler are forfeited.
- 32) All claims for an error in scoring must be made to a tournament official immediately. No changes in score will be made after the next bowler bowls.
- 33) If an automatic pinsetter or scorer has a breakdown, the tournament office has the right to move bowlers to other lanes and take whatever steps are necessary to continue play. In the case of irretrievable score loss, that game (not set) must be rebowled.
- 34) The tournament has the right to weigh any ball after bowling. If the ball is found to be illegal, this will disqualify the bowler, all scores, and no refunds will be made. Bowlers may have the surface and weight of the ball checked prior to bowling.
- 35) Premature termination of the tournament brought on by war, national emergency, or emergencies relating to fire, strikes, labor difficulties, or other reasons beyond the control of AMF Gates Lanes, AMF Dewey Garden Lanes, or the Lilac City Tournament, shall cause the foregoing prize list to be prorated in accordance to the number of entrants who have bowled in each of the respective events at the time of termination.
- 36) The Tournament Director and/or Assigns have final say regarding all questions and/or disputes arising in the Lilac City Tournament.

MULTIPLE PARTICIPATION:

All 5 must bowl the second time or 2 must be changed)** In team and doubles events, a bowler may cash only once with the highest score with the same partner or team, but as many times as scores indicate if you change. In the singles, bonus, and combine events, a bowler may only cash once, per USBC.
